

## Bruce Baker AAC Globalization Initiative

### Criteria for award recipients

- Applicant(s) should be familiar with AAC and be native speakers of the language of concern. At least one person on the team needs to be fluent in English.
- Applicant(s) need to have significant familiarity with the local / regional / national culture representing the language of concern.
- Applicant(s) should be willing and able to dedicate a significant amount of time and effort (estimated 100-200 hours) to activities to support the initiatives.
- After the award has been granted, the recipient will confer with PRC-Salttillo to identify activities that will be most productive in leveraging PRC-Salttillo's materials, technology, etc. to provide the greatest benefit to the population of interest. Recipients' activities may include:
  - ✓ Developing vocabulary lists
  - ✓ Developing communication pages
  - ✓ Translating instructional prompts and menus
  - ✓ Creating instructional or implantation materials
- PRC-Salttillo will provide software tools to support these activities. Applicant(s) need have access to Windows® computers and internet service.
- Any materials, apps, software, etc. created through the initiative will become the property of PRC-Salttillo. This will enable the company to make them available to those who can benefit from them. Those who contributed to the materials' creation will be duly acknowledged and will have free access to the materials.
